## § 235.12

this part during any fiscal year in which such sanction is being applied.

(c) *Termination for convenience.* FNS and the State agency may terminate the State agency's participation under this part in whole, or in part, when both parties agree that continuation would not produce beneficial results commensurate with the further expenditure of funds. The two parties shall agree upon the termination conditions, including the effective date and, in the case of partial termination, the portion to be terminated. The State agency shall not incur new obligations for the terminated portion after the effective date, and shall cancel as many outstanding obligations as possible. FNS shall allow full credit to the State agency for the Federal share of the noncancellable obligations, properly incurred by the State agency prior to termination.

(d) In taking any action under paragraphs (b) or (c) of this section, FNS and the State agency shall comply with the provisions of 7 CFR part 3016 concerning grant suspension, termination and closeout procedures.

(e) *State requirements.* Nothing contained in this part shall prevent a State agency from imposing additional operating requirements which are not inconsistent with the provisions of this part.

(f) *Administrative review process.* When FNS asserts a sanction against a State agency under the provisions of paragraph (b) of this section, the State agency may appeal the case and be afforded a review by an FNS Administrative Review Officer of the record including any additional written submissions prepared by the State agency.

(1) FNS shall provide a written notice and shall ensure the receipt of such notice when asserting a sanction against a State agency.

(2) A State agency aggrieved by a sanction asserted against it may file a written request with the Director, Administrative Review Staff, U.S. Department of Agriculture, Food and Nutrition Service, 3101 Park Center Drive, Alexandria, Va. 22302 for a review of the record. Such request must be postmarked within 30 calendar days of the date of delivery of the sanction notice and the envelope containing the re-

quest shall be prominently marked "REQUEST FOR REVIEW." If the State agency does not request a review within 30 calendar days of the date of delivery of the sanction notice, the administrative decision on the sanction shall be final.

(3) Upon receipt of a request for review, FNS shall promptly provide the State agency with a written acknowledgment of the request. The acknowledgment shall include the name and address of the FNS Administrative Review Officer reviewing the sanction. The acknowledgment shall also notify the State agency that any additional information in support of its position must be submitted within 30 calendar days of the receipt of the acknowledgment.

(4) When a review is requested, the FNS Administrative Review Officer shall review all available information and shall make a final determination within 45 calendar days after receipt of the State agency's additional information. The final determination shall take effect upon delivery of the written notice of this final decision to the State agency.

(5) The final determination of the FNS Administrative Review Officer will be the Department's final decision in the case and will not be subject to reconsideration.

### § 240.1 General purpose and scope.

(a) Each school year the Department programs agricultural commodities and other foods to States for delivery to program and commodity schools, nonresidential child care institutions, and service institutions pursuant to the regulations governing the donation of foods for use in the United States, its territories and possessions and areas under its jurisdiction (7 CFR part 250).

(b) Section 6(b) of the Act requires that not later than June 1 of each school year, the Secretary shall make an estimate of the value of the agricultural commodities and other foods that will be delivered during that school year for use in lunch programs by schools participating in the National School Lunch Program (7 CFR part 210). If this estimate is less than the

total level of assistance authorized under section 6(e) of the Act the Secretary shall pay to the State administering agency not later than July 1 of that school year, an amount of funds equal to the difference between the value of donated foods as then programmed for that school year and the total level of assistance authorized under such section.

(c) Section 6(e)(1) of the Act requires:

(1) That for each school year, the total commodity assistance, or cash in lieu thereof, available to each State for the National School Lunch Program shall be the amount obtained by multiplying the national average value of donated foods, described in paragraph (c)(2) of this section, by the number of lunches served in that State in the preceding school year; and

(2) That the national average value of foods donated to schools participating in the National School Lunch Program, or cash payments made in lieu thereof, shall be 11 cents, adjusted on July 1, 1982, and each July 1 thereafter to reflect changes in the Price Index for Food Used in Schools and Institutions. Section 6(e)(1) further requires that not less than 75 percent of the assistance under that section shall be in the form of donated foods for the National School Lunch Program. After the end of each school year, FNS shall reconcile the number of lunches served by schools in each State with the number served in the preceding school year and, based on such reconciliation, shall increase or reduce subsequent commodity assistance or cash in lieu thereof provided to each State.

(d) Section 12(g) of the Act provides that whoever embezzles, willfully misapplies, steals, or obtains by fraud any funds, assets, or property that are the subject of a grant or other form of assistance under this Act or the Child Nutrition Act of 1966, whether received directly or indirectly from the United States Department of Agriculture, or whoever receives, conceals, or retains such funds, assets, or property to his use or gain, knowing such funds, assets, or property have been embezzled, willfully misapplied, stolen, or obtained by fraud shall, if such funds, assets, or property are of the value of \$100 or more, be fined not more than
